

Septicfit

Calcium Hypochlorite Tablets

EZ-Stor Pails

Our Septicfit EZ-Stor packages have a tamper evident safety strip that has to be removed before opening. The top is hinged and not removable for added protection.

For the residential consumer that wants to order in bulk this is a space saving package. The US1G a great eCommerce package as it ships ORM-D Consumer Commodity.

Since the US1G is an ORM-D Consumer Commodity it is very appealing to Retail outlets as in most cases it does not require special storage or handling permits.
